# Press Release

## **Eclipse Communications Re-forms with a new DBA VIVID IP**

**San Diego, CA, February 2007:** Eclipse Communications is proud to announce it has joined forces with Jim Comeaux and has reformed as VIVID IP. Eclipse Communications, inc brings expertise in voice communications and services. One of the founding partners of Eclipse Communications, Michael Zadeik will also be joining VIVID IP. Both Mr. Comeaux and Mr. Zadeik are excited to be joining forces and look forward to bringing more products and services to their clients in Southern California.

VIVID IP is Southern California's leading source for business-class IP-phone solutions, including equipment, cabling, installation, and support. VIVID IP's experts can help you design, implement, and maintain reliable and cost-effective communications network by offering complete and proven solutions for single- or multi-site businesses including remote-user environments.

**For Release 9 a.m. PSDT January 17, 2007**
