Press Release

VIVID IP Moving to Larger Office

San Diego, CA, February 2008: VIVID IP is moving to larger offices located at 8344 Clairemont Mesa Blvd, still centrally located Kearny Mesa area of San Diego. The new office space is 2,700 square feet and will allow VIVID IP to continue to grow and service its Southern California customers. Cushman Wakefield's Michael Martel (Associate Director) assisted VIVID IP located and negotiating a very favorable lease.

VIVID IP is Southern California's leading source for business-class IP-phone solutions, including equipment, cabling, installation, and support. VIVID IP's experts can help you design, implement, and maintain a reliable and cost-effective communications network by offering complete and proven solutions for single- or multi-site businesses including remote-user environments.

For Release 9 a.m. PST January 17, 2007
